

Downloading Software from Company Portal

Introduction

Process details how employees can install company-approved software from the Company Portal app/program.

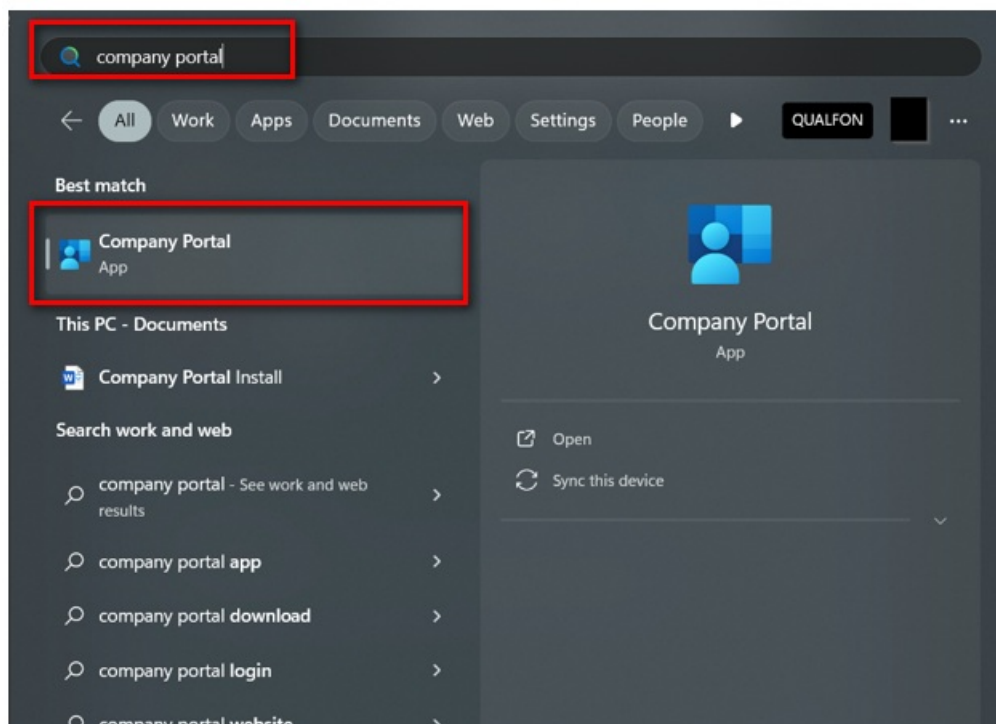

NOTE: Company Portal is an app/program that is only installed on Intune-joined Qualfon machines.

Details

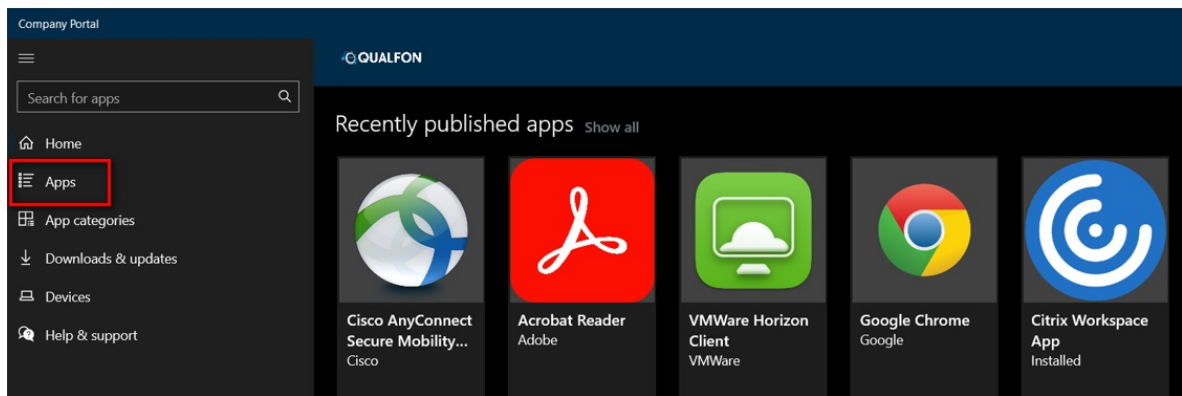

1. Click on the **Start Menu/Windows** icon on the **bottom taskbar**. and search for **"Company Portal"**.

2. In the **Search** box enter **Company Portal**. You'll want the **App**.

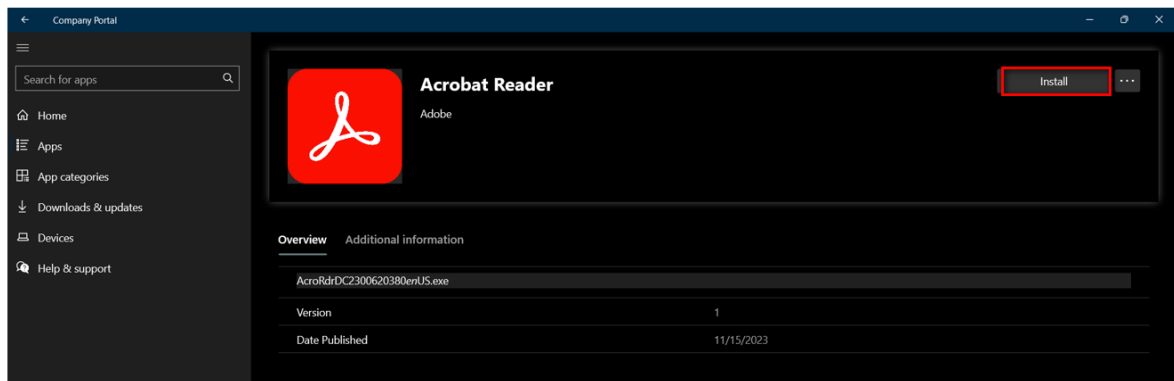

3. When you open the **Company Portal**, it will automatically sign you in with your **Qualfon account**.
4. To download apps, click **"Apps"** on the left side and click on the application you want to download.

5. You will see the **“Install”** option in the **top right** of the **window**.

NOTE: These apps will NOT need administrator access to download.
